SUBJECT: Utilisation of Good Contact with the Hungarian Governmental Circles.

NOTE: Because of lack of information on what our targets are in Hungary, no answer has as yet been given to WISCHMANN's proposal.

---

1. Returning from his business trip to Vienna WISCHMANN stated that he has " very good connection with the present Hungarian Government circles" and is, therefore, "able to reach for information into any Hungarian office".

2. Experience teaches that in the face of a proposition of this sort it would not be wise to ask the man making the proposition for "anything that you can get". For best results the man must be told specifically what we need to know and from what office.

3. COMMENT: What are our targets in Hungary?
